

# **CONFAP - CNPq – THE UK ACADEMIES 2018**

## **Fellowships, Research Mobility, and**

## **Young Investigator Awards for UK**

## **researchers in Brazil**

This is to announce the results do the Call for Proposals launched in December 14<sup>th</sup>, 2018 by CONFAP in partnership with the UK Academies under the Newton Fund Programme. The projects bellow will be funded by the related FAP. Other projects, not in this list, were either not recommended or exceeded the budget for this Call. Any question about this result shall be addressed to the relevant FAP.

Moreover, the proposals submitted to FAPEMA (State of Maranhão), FAPESP (State of São Paulo) modality Young Investigator and CNPq are still under assessment. It will be announced soon.
